Dear Dr. Perrone,

It is a pleasure for me to invite you to spend three months with us here on the Spine Service at the Harvard Medical School/ Beth Israel Deaconess Medical Center Orthopaedic Service. I believe, that in this way, you will improve your knowledge in spinal surgery and improve your background as an Orthopaedic Surgeon.

You will be here as a clinical clerk where you will be welcome to observe us in our pre-operative out-patient clinic, surgical procedures and operative care.

Sincerely,

A handwritten signature in black ink, appearing to read "A. White III".
